Features

Compact and Lightweight Design

The Transcend Micro is the smallest and lightest travel CPAP on the market, weighing less than 0.5 pounds and measuring less than 4 inches wide. Its ultra-portable design makes it a breeze to pack and carry, offering a discreet and unobtrusive solution for on-the-go therapy.

Universal Mask Compatibility

Enjoy the flexibility of using your preferred CPAP mask. The Transcend Micro is designed to work seamlessly with any CPAP mask with a standard 22mm connection.

Versatile Power Options

Whether you're at home, traveling abroad, or venturing off the grid, the Transcend Micro adapts to your environment. It comes equipped with an AC power adapter for traditional use and offers the Transcend Micro PowerAway™ Battery as an ideal companion for camping, flights, remote locations or use every day as a backup power source.

Whisper-Quiet Operation

The Transcend Micro operates quietly, ensuring that both you and your companions can enjoy a peaceful night's sleep. When used with the WhisperSoft muffler (included), the device's noise level is further minimized, allowing for peaceful rest.

Maintenance Made Simple

With user-friendly features and easy maintenance, the Transcend Micro is designed to simplify your sleep therapy routine.

Health Benefits of CPAP Therapy

Consistent use of a sleep apnea device can lead to numerous health benefits, including lower blood pressure, reduced risk of stroke, decreased daytime sleepiness, and improved mental health. By maintaining open airways during sleep, CPAP therapy can also reduce snoring and enhance overall sleep quality.

Warranty and Support

Your investment in the Transcend Micro is protected by a 2-year warranty and backed by comprehensive support.
